

Little Red supply list

2020-2021

So that we can limit the spread of germs, we will no longer be sharing our supplies. Each child will have to provide their own plastic pencil case labeled with their name on it. In it they will need to have:

Pencils

Crayons

A watercolor paint set

Glue sticks or a glue bottle

Markers for coloring

Dry erase markers

In addition to the supplies mentioned above we will also be asking that each child provide the following items at the beginning of school in September:

Hand sanitizer

1 package of wipes

1 box of tissues

1 container of hand soap

Yoga matt for outdoor academic instruction
